

## MILWAUKEE PARTNERS IN GIVING SUMMER NEWSLETTER

It is the start of the summer season and time for picnics and outdoor fun and our nation's birthday. A cookout with hot dogs, veggie burgers and sides can be a great special event at this time of year. Not only is this a great fundraiser, but it can serve as a staff team building activity.

With summer in full swing, it will not be long until the start of the fall campaign. Coordinator training is scheduled for September 24. Please mark your calendars and keep your eyes open for further details.

We are so grateful for our team of dedicated coordinators as you are the keys to success. If you know any coworkers who may be interested in joining the team please have them contact any board member for further information. The more the merrier!

We are in the process of updating our website. Please be sure to check it out at [mkegiving.org](http://mkegiving.org). We have updated the site to include our new name MILWAUKEE PARTNERS IN GIVING. Please take some time to surf our site in July and provide feedback, comments and suggests to any board member.

Speaking of surfing, a beach themed fundraiser would also be something to think about in the summer months. Some Hawaiian foods such as pulled pork, macaroni salad, and a tiki themed décor could make this a fun event. You might even want have a Hawaiian shirt contest. We may not be in the tropics but Wisconsin in summer is the next best thing.

Summer is also a great time to get involved in volunteer activities or sponsor a food drive.

On the next page you will find some recipes for a beach themed event.
